

Updated 2021 Hawke's Bay Arts Festival Schedule

BE OPEN....to a small and perfectly formed line-up during the Festival period in October.

Due to the impact of COVID-19 level restrictions, throughout Aotearoa New Zealand, The Hawke's Bay Arts Festival has had to make changes to its scheduled line-up. The Festival will now run for 11 days from 20th October through to 31st October 2021. Some shows have been postponed to March next year and others will feature later, in the 2022 Festival.

We look forward to seeing you this October at Festival!
